DO SOMETHING EXTRAORDINARY WITH YOUR SUMMER

"Before my experience at Notre Dame, I saw college as 'school, only harder.' I now know that college is much more than this. To me it is now a whole new world where learning meets fun, interests meet outlets, and where minds meet to converse and build new ideas."

The University of Notre Dame Pre-College Programs offer exceptional high school students the opportunity to delve into college-level study abroad. Partnering with ND Global Gateways, Pre-College Study Abroad programs take the Notre Dame spirit out into the world.
