Statistics

- \$150 million in need based scholarship assistance in the 2018-19 academic year
- \$22,487 average Federal loan debt
- The three-year default rate among Notre Dame students who have entered repayment is less than 1%
- 98% of first year students return for their second year

Education with Value

A Notre Dame education is an incredibly valuable investment – and not simply because of the quality, rigor, and access of the education a student received.

- Opportunity to truly get to know self through spiritual examination and personal inquiry.
- Encouraged to take the time to discover who they are, what they love, and how to apply their knowledge.
- Gain an understanding of the world that involves a critical examination of issues, cultures, and ideas.
- Combination of self-discovery and global-awareness is a hallmark of the Notre Dame education, and is one of the ways that our graduates are prepared to thrive in a changing world.
- We offer one of the widest and most influential alumni networks in the world.
- The Notre Dame community is something that strengthens and deepens over the course of time.

Outcomes

- 95% of students graduate on time, one of the highest graduation rates in the nation
- 98% of students are placed in careers, graduate schools or service opportunities within six months of graduation
- 87% of pre-med graduates are admitted into medical school (nearly twice the national average)
- More than 450 employers visit campus every year for recruitment.
- More than 75% of our students complete internships during their four years
