

# Campus Visits

2019-20

## Information Sessions and Tours

Led by an admissions counselor, information sessions are structured to give prospective applicants of high school age an overview of Notre Dame's application process, admission criteria, financial aid system, academic organization, and student life. Parents and students attend together and are encouraged to ask questions. Sessions are most helpful when you attend them before completing an application.

Guided by current Notre Dame students, tours visit the main attractions of Notre Dame's campus and also provide parents and prospective applicants a current student's perspective of campus life. A tour will automatically follow your scheduled information session. There is no need to schedule a tour. Due to a large number of visitors and time constraints, tours do not visit residence hall rooms. No tours are held on the Saturdays of home football games.

Information sessions and tours are offered twice daily for most of the year. During the week, information sessions begin at 10:00 a.m. and 2:00 p.m. Eastern time, and are followed by campus tours at 11:00 a.m. and 3:00 p.m. Eastern time.

In the months of March, April, September, October, November, and December, Saturday information sessions are offered at 9:00 a.m. and 10:15 a.m. Eastern time and are followed by tours at 10:00 a.m. and 11:15 a.m. Eastern time, with no tours held on the Saturdays of home football games. Information sessions and tours are offered on Football Fridays at 10:00 a.m., 12:00 p.m., and 2:00 p.m.

The College of Engineering, Mendoza College of Business, and the School of Architecture offer College Overview Sessions during the academic year. Prospective students have the opportunity to visit with these academic areas to learn more about specific programs.

## Student Hospitality Program

The Student Hospitality Program pairs a current Notre Dame student host with a high school senior who wishes to attend classes, eat in the dining halls, and experience residence hall life. In the autumn, all high school seniors are welcome to schedule a day host to help them experience student life at the University. In the spring, the Student Hospitality Program is reserved for Admitted Students only.

## Admitted Students

In addition to the above, admitted students can [visit campus](#) and schedule an individual appointment with an admissions counselor. Admitted Student Days are also scheduled throughout the spring semester. These are either general open houses, or sponsored by specific colleges.

## Invitation-Only Visitation Weekends
